

Biology Technician (permanent full time): Senior School, Frognal, Hampstead

We are looking for a full-time Biology Technician to join UCS's Biology Department. The main functions are to work with the Senior Biology Technician to support a team of Biology Teachers in the preparation of practicals and the maintenance of departmental equipment and resources to facilitate the teaching of pupils from Year 7 through to Sixth Form.

We are seeking applications from candidates with a Biology or Science academic qualification. In addition, laboratory technician experience in Biology is highly desirable, including previous experience in the use of data logging equipment. Experience in the educational field and/or of working with children would be advantageous.

Salary: £32,177.40 per annum

Please visit <https://www.ucs.org.uk/about/work-at-ucs/> and click apply now on the relevant vacancy to download an application form. Please send a completed copy to recruitment@ucs.org.uk.

Please note that we reserve the right to interview candidates before the stated closing date; we would therefore welcome early applications.

Closing date: Monday 24th July 2023

UCS is fully committed to the safeguarding of children. All applicants for this post must be prepared to undergo child protection screening.
