

Senior Technician of Biology
UCS Senior School
Full time, permanent

We are looking for a full time Senior Biology Technician to join a highly successful department at this leading London day school.

UCS enjoys a distinctive ethos and an enviable reputation for teaching and learning, as well as for pastoral work, music, drama and other co-curricular activities. The school encourages genuine intellectual curiosity and fosters a real sense of communal endeavour.

Applications are invited for a permanent, full-time Senior Biology Technician. The main functions are to supervise the work of our second Technician and to support our team of Biology teachers in the preparation of practicals, maintenance of departmental equipment and resources to support the teaching of pupils from Year 7 through to Sixth Form.

The ideal candidate will have a relevant Science or specific Biology qualification, strengths in the use of data logging equipment and experience of working in a laboratory. The candidate will also have experience in the educational field as well as excellent interpersonal skills, an independent approach to tasks and be comfortable working closely with young people.

Please refer to the job description on our website for more information.

Please complete an application form available at <https://www.ucs.org.uk/about/work-at-ucs/> and send to recruitment@ucs.org.uk.

In addition to completing the accompanying form, applicants should provide a full curriculum Vitae and a supporting letter as soon as possible.

The official closing date for this appointment is Monday 24th July 2023; however, applications will be considered on receipt.

We reserve the right to interview and appoint at any stage during this process.

UCS is fully committed to the safeguarding of children. All applicants for this post must be prepared to undergo child protection screening.
